Vision Statement: To Connect with God, Connect with Each Other & to Connect Others with God.

Mission Statement: To know Him and to make Him known to women of all walks of life. To love like Ruth, be faithful like Sarah, unashamed like Mary and courageous like Esther. for I am not just a woman but also a daughter of Christ.

Goals:

Enable women to deepen their faith and to experience spiritual growth and renewal
Focus on the broad spectrum of needs and concerns of women from all lifestages
Build networks and relationships that encourage friendship, mutual support and creative exchange of ideas and information

Mentor and encourage young women, creating paths for involvement within the church
Bring women's unique and individual skills and perspectives to use in the ministry and church. And in strengthening relationships between spouses, family, children and friends.
